The Wallner “H.O.M.E. Plan” – H.O.M.E. - Plan on Being There

Wallner Builders introduces new Home Maintenance Solution at Expo 2011

BUTLER, WI – December 28, 2010 – [Wallner Builders](#), Remodeling & Design Artisans, is launching the new “Wallner H.O.M.E. Plan” (Homeowner Maintenance & Education) to help consumers protect their home and enjoy life-cycle savings. A \$195 service, Wallner is offering a chance to win one of five FREE Home Fitness evaluations during the MBA Home Building & Remodeling Expo at Frontier Airlines Center in exhibit #805 or through their newsletter, [The Wallner Bulletin](#).

Sick and tired of struggling to care for your home? We can help. With the Wallner Homeowner Maintenance & Education Plan (H.O.M.E.), you can have all the items that you don't like to deal with, or those that you completely forget about until it is too late, addressed – professionally and easily. And, you don't need to find the people to get the work done; we're already working with the professionals that are experts in their field, who are trustworthy and reliable, and who respect that they're working in a private home – and care for you and it as such.

Prevention is a lot less expensive than repair. . .

- How much does a 12:00 am service call from a heating contractor cost – only to find out that the furnace needs to be replaced?

- Water heaters? When it decides to go, there's usually a lot of water in the basement by the time you realize that it needs to be replaced.

With the Wallner Homeowner Maintenance & Education Plan, we would help you plan for these issues, and others. You can budget for the expected rather than wonder, "how am I going to pay for the unexpected?"

In addition to the opportunity to win a free evaluation and report, homeowners can also get a free H.O.M.E. Evaluation if they discuss a project with Wallner Builders.

To enter, visit exhibit #805 at the MBA Home Building & Remodeling Expo at Frontier Airlines Center on January 6, 7, 8 or 9, 2011 and complete a registration card at the exhibit. Entries can also be made by following the instructions in the company's newsletter – [The Wallner Bulletin](#). Winners will be drawn at random two weeks after the close of Expo 2011. One entry per person. No purchase is necessary to enter or to win. All federal, state, local and municipal laws and regulations apply. Void where prohibited.

About Wallner Builders: Since 1975, Wallner Builders has helped clients achieve their vision through collaborative design and a virtual 3-D experience, using only the finest craftsmen and materials. The firm is a member of the Milwaukee Chapter of the Metropolitan Builders Association, The National Association of the Remodeling Industry (NARI), and the Better Business Bureau.
