Wallner Builders Named NARI 2009 Regional Contractor of the Year Winner

Wauwatosa Kitchen selected as best overall in nine-state NARI North Central region in the Residential Kitchen \$60-100,000 Category.

Butler, WI, January 27, 2009---The National Association of the Remodeling Industry (NARI) named Wallner Builders, in Butler, 2009 Regional CotY™ (Contractor of the Year) Award Winner in the Residential Kitchen \$60,001 to \$100,000 category of its annual awards competition.

Contractors from nine states in the North Central region vie for the Regional CotY Award on an annual basis. All seven regional winners will now be eligible for National CotY Awards. Judging for regional awards took place at the Association's national headquarters in Des Plaines, Illinois, in mid-January. An impartial panel of judges who are experts within the industry and associated fields selected winners based on each entrant's "before and after" photography and project description. Judging was based on problem solving, functionality, aesthetics, craftsmanship, innovation, degree of difficulty, and entry presentation.

Trophies will be awarded at the 2009 Evening of ExcellenceSM in Atlanta on March 28.

To be considered for a CotY Award, a company must be a NARI member in good standing. NARI members represent an elite group from the approximately 800,000 companies and individuals in the U.S. identifying themselves as remodelers.

Wallner Builders is a member of the Milwaukee Chapter of The National Association of the Remodeling Industry (NARI), the only trade association dedicated solely to the remodeling industry. A Design/Build remodeling firm, Wallner Builders has been serving client needs in S.E. Wisconsin for over three decades. This is the second year in a row that Wallner Builders has been honored with a Regional CotY award.
